To Whom It May Concern:

I am pleased to recommend Eric Goldman for any of your web development, print/digital media and graphic design needs. Eric has worked for my company for several years and has provided exemplary work. The artwork and layouts are fabulous and deliver exactly the eye-catching presentation I was looking for. Needless to say, the website Eric designed and built for SHRS has exceeded my expectations and continues to receive the highest of compliments.

In addition to his creative talent and design, Eric also excels in customer service and professionalism. There are times in my business where I need new graphics/design work or templates quickly and I have complete confidence that Eric will handle my work requests with the utmost urgency. His work is very detailed and he is always successful in delivering a complete and professional project close.

Eric is a pleasure to work with and a true professional. If I could answer any questions for you, please do not hesitate to contact me at my office at (303) 247.9500 or on my business cell at (303) 717.5397.
